## SCAVENGER HUNT

### PRE-VISIT TEACHER INFORMATION

The Education Division of the National Museum of the United States Air Force would like to thank you for booking a "Scavenger Hunt" program. Please read through the following information **before** your scheduled date. Feel free to contact us if you have any questions or concerns. We look forward to working with you and your students!

- Please be sure to invite plenty of adult chaperones. We require a minimum of one adult for every ten students. This is true of all grade levels. Students must stay with their adult chaperones at all times. Adults are held responsible for the conduct of the students in their charge.
- The lead teacher should not be assigned to a particular team of students but should remain free to coordinate the overall effort.
- Please have your students already divided into teams upon arrival at the Museum. When you arrive, please have your bus unload at the front door and then park in the **far** end of the visitor's lot. Sign your group in at the Information Desk in the lobby.
- Scavenger hunt materials will be located at the Lobby Information Desk. Each student will receive a scavenger hunt, a pencil and a sheet of cardboard to use as a writing surface. Please ask the students not to make any marks on the cardboard. All pencils and cardboards must be returned to the Information Desk when the tour is completed. It is important to emphasize that the pencils and cardboard need to be returned in good condition for us to be able to continue offering this program free of charge.
- Unless otherwise stated in your confirmation, there will be enough materials for each student to receive one scavenger hunt, one pencil and one cardboard writing surface. There will be several answer keys included in the box of materials. You will not be provided with a separate scavenger hunt and answer key for every chaperone.
- Pens and markers are not to be used in the Museum galleries.
- Please remind students not to lean or write on exhibit walls, panels or display cases.
- Unused scavenger hunts and answer keys should be returned in the box. Do not make copies of the tours or keep extras for use on future visits. These tours must be booked through our Education Division. Copying the materials is strictly prohibited.

# Group Instructions

**THE NATIONAL MUSEUM OF THE U.S. AIR FORCE  
SERVES AS A MEMORIAL AND TRIBUTE TO  
THE BRAVE AIR FORCE MEN AND WOMEN, PAST AND PRESENT.**

**To promote proper respect and visitor enjoyment, we ask that teachers, parents and adult chaperones ensure their students' appropriate conduct while in the Museum:**

1. Young people must be accompanied and supervised at all times by teachers and/or adult chaperones.
2. Our policy requires 1 adult chaperone for every 10 young people (high school age and younger). Please have young people divided into these groups of 10 before starting your tour.

3. No touching, climbing on, or entering aircraft is permitted, unless otherwise stated. For safety reasons, no running is permitted. Please, no loud or disruptive behavior.
4. Do not go beyond the roped-off areas, either inside or outside the Museum, Presidential Hangar, Control Tower, or Nissen Hut.
5. Items purchased in the café must be consumed in the dining area only. No food or drink is permitted outside the café.
6. Sack lunches are not permitted inside the Museum. Picnic shelters are available outside on a first come, first served basis.
7. No smoking inside the building.
8. Receipts for gift shop purchases should be retained. Please keep all items packaged until your departure.

ACCESS TO THE PRESIDENTIAL AND RESEARCH AND DEVELOPMENT/FLIGHT TEST HANGARS IS LIMITED. PLEASE CHECK AT THE LOBBY INFORMATION DESK OR REGISTRATION DESK FOR MORE DETAILS.

*Special Note: Please be sure to take a head count before leaving Museum property. Youngsters have been left here occasionally!*

**IN ALL CASES, TEACHERS AND/OR ADULT CHAPERONES ARE HELD RESPONSIBLE FOR THE CONDUCT OF THEIR GROUPS.**

- If your students are bringing their own lunches, be sure to remind them to leave them on the bus. No outside food can be brought into the building. If you are using the café's box lunch program, be sure you have made your arrangements ahead of time directly with the café at 937-255-2735.
- Please read through the group instructions information handout. Brief the students and adult chaperones on proper museum behavior before your arrival. Adult chaperones should know to which group they are assigned. A name tag for each student and chaperone is highly recommended. The name tags should include the person's first name and the name of the school.
- If you are interested in a pre-visit activity for your students, you may want to consider showing the students a video from our free audiovisual loan program. Please see <http://www.nationalmuseum.af.mil/education/avloan/index.asp> for the details.
